Dear Dr Sharma,

**TCP/NEP/3701 - Strengthening Agro-Ecosystems Resilience for Climate Change  
Adaptation to Improve Food and Nutrition Security  
Submission of terminal report**

I have pleasure to refer to the request of the Government of Nepal to the Food and Agriculture Organization of the United Nations for assistance in strengthening agro-ecosystems resilience for climate change adaptation to improve food and nutrition security. This assistance was provided under the Technical Cooperation Programme project TCP/NEP/3701, and a terminal report containing the main findings and recommendations of the project is attached herewith for your kind reference.

I trust that the project has been of assistance to the government of Nepal. I should be interested to hear in due course of any follow-up action taken by the Government along the lines recommended by FAO, and of your appraisal of the value of the project to your country.

Accept, Sir, the assurance of my highest consideration.

Yours sincerely,

Ken Shimizu
